After graduation in 1969, I attended Oregon College of Education (now Western Oregon Univ.) for 2 years, studying to be an elementary school teacher. But in 1971, I met Frank Richey there during my sophomore year. We were married later that year and moved to Salem. In 1972 our first son, Eric, was born then 2 1/2 years later #2 son, Brian, came along. In 1980 son #3, Braden, arrived!

I was a stay-at-home Mom until Braden started kindergarten. It was then that I started working at Little Red Schoolhouse where I taught 3 and 4 year olds that lasted 7 years. After that I went to work for Salem-Keizer public schools for 17 years in 3 different schools. I retired in 2010 and have been loving it!

Our 3 sons married 3 wonderful ladies and have given us 7 exceptional grandkids who range in age from 19 to 6 years old.

We travel a bit and have hobbies and our grandkids to keep us busy!

Note: Wendy didn't mention it, but she was also the 1969 Rainier Daze Queen.
